

Here are some ways to help Woodland Hills Elem. campus:

During the week of April 15-19th and Saturday the 20th the campus will be collecting unwanted clothes, shoes, stuffed animals, linens and towels for ReClothe It. The organization will provide money in trade for the weight of the donations.

Also, the community is encouraged to clip box tops and Campbell's soup labels for cash to the campus. Each label can be a contribution to supplies for gym, art, or etc... These can be dropped off at the front office during school hours.

On the south side parking lot are yellow/green bins designated for paper recycling. The community is welcome to support the effort in recycling along with assisting in raising money for the school. Each bin provides a little financial support towards the campus.

New is Waste Management dumpster for plastics and aluminum.
