

Please be advised that the Woodland Hills Trails Association is preparing to replace the signage along the entrances to the Trails. As you are likely aware the Trails signage has a variety of rules and regulations posted.

The Association is looking for homeowner input on which of these rules you would like to see placed on the signage. Homeowner input will be considered when the signage is replaced.

Signs throughout the Kingwood Trails have some of the following rules posted:

NO MOTORIZED VEHICLES

NO DUMPING

CLOSED DUSK TO DAWN

ALL PETS MUST BE ON A LEASH

NO ALCOHOL OR DRUGS

NO LITTERING

As there is limited space to place the rules, we are interested in your input as to which are the most important. Please send emails to kingwood@sterlingasi.com and in the subject line place Trails signage. If you have any additional rules you feel might need to be added, we would consider those as well.
